

# Vector Seminar Gaydon 2008

June 24<sup>th</sup>, 2008 in Gaydon

## Agenda and Information

### Room „1“

09:00 am

**Welcome Speech**

09:15 am

**Design and Test of FlexRay**

FlexRay basics, modelling and realtime simulation, test and diagnostics with CANoe

10:45 am

**Coffee Break**

11:15 am

**AUTOSAR, ECU Software**

What does AUTOSAR mean? Which role plays Vector within AUTOSAR? Vector AUTOSAR solution - what does it look like?

12:45 pm

**Lunch Break**

1:45 pm

**Calibration of ECUs**

Measuring, calibrating, bypassing, diagnosing and flashing of CAN, LIN, and FlexRay ECUs with CANape

**Interfaces, Data Loggers and Measurement Hardware for CAN, LIN, MOST and FlexRay**

3:15 pm

**Coffee Break**

3:45 pm

**Vehicles Diagnostics**

Introduction in ODX; Why are ODX authoring guidelines needed? Import and export of ODX data with CANdelaStudio

5:15 pm

**End of the Vector seminar**

### Room „2“

**Welcome Speech**

**Calibration of ECUs**

Measuring, calibrating, bypassing, diagnosing and flashing of CAN, LIN, and FlexRay ECUs with CANape

**Interfaces, Data Loggers and Measurement Hardware for CAN, LIN, MOST, and FlexRay**

**Coffee Break**

**Vehicles Diagnostics**

Introduction in ODX; Why are ODX authoring guidelines needed? Import and export of ODX data with CANdelaStudio

**Lunch Break**

**Design and Test of FlexRay**

FlexRay basics, modelling and realtime simulation, test and diagnostics with CANoe

**Coffee Break**

**Efficient ECU Testing**

Testing during the development process. Manually operated and automated testing with CANoe, Vector Automotive test system.

**End of the Vector seminar**

# Vector Seminar Gaydon 2008

June 24<sup>th</sup>, 2008 in Gaydon

## Agenda and Information

### Further Information

#### Registration

[www.vector-informatik.com/seminars2008](http://www.vector-informatik.com/seminars2008)

#### Venue

##### HERITAGE MOTOR CENTRE

Banbury Road  
UK-Gaydon / Warwickshire  
CV35 0BJ

Phone: +44-1926-64 50 40

Fax: +44-1926-64 51 03

[www.heritage-motor-centre.co.uk](http://www.heritage-motor-centre.co.uk)

#### Parking

Car parking for free at the Heritage Motor Centre available.

#### Participation fee

The fee for participation and catering is covered by Vector.

#### Your contact at Vector
